Is Consultation with other department(s) required: No
Publish in the Following: College Catalog , Time Schedule , Web Page
Reason for Submission: Inactivation

Change Information:

Consultation with all departments affected by this course is required.

Rationale: Course not needed for new ECD discipline.

Proposed Start Semester: Fall 2022

Course Description: This course focuses on leadership and curriculum skills needed as a director or lead teacher in a child care center. Students refine skills in developing and evaluating sequences of developmentally appropriate learning activities for young children. Students plan and execute a leadership project. Confirm eligibility and suitable employment in a licensed child care center with the program adviser prior to enrolling.

Jackson Community College
Michigan State University
Oakland University
Western Michigan University
Other : U of M - Dearborn Madonna University

Student Learning Outcomes

1. Demonstrate skill in planning and evaluating developmentally appropriate learning activities for young children.

Assessment 1

Assessment Tool: Activity Planning and Evaluation Assignment
Assessment Date: Fall 2013
Assessment Cycle: Every Three Years
Course section(s)/other population: All sections each time course is offered
Number students to be assessed: Randomly selected sample of one third of students enrolled (minimum of 5)
How the assessment will be scored: Program developed rubric
Standard of success to be used for this assessment: 70% of the sample will score 4 or 5 on the rubric
Who will score and analyze the data: Members of the CCP Advisory Committee or their designees will score the artifacts and analyze the data.

2. Recognize developmentally appropriate, evidence-based practices for young children.

Assessment 1

Assessment Tool: Objective test questions
Assessment Date: Fall 2013
Assessment Cycle: Every Three Years
Course section(s)/other population: All sections each time the course is offered
Number students to be assessed: All enrolled students
How the assessment will be scored: test questions developed by program instructors
Standard of success to be used for this assessment: 70% of students will score 70% or higher on the test
Who will score and analyze the data: The test will be scored electronically and members of the CCP Advisory Committee or their designees will analyze the data.

3. Demonstrate leadership skills as a child care professional.

Assessment 1

Assessment Tool: Student Leadership Project Assignment
Assessment Date: Fall 2013
Assessment Cycle: Every Three Years

Course section(s)/other population: All sections each time the course is offered
 Number students to be assessed: randomly selected one third of enrolled students (minimum of 5)
 How the assessment will be scored: rubric developed by program instructors
 Standard of success to be used for this assessment: 70% of artifacts will score a 4 or 5 on the rubric
 Who will score and analyze the data: Members of the CCP Advisory Committee or their designees will score and analyze the data.

Course Objectives

1. Student will plan two week-long sequences of curriculum.
2. Student will plan and evaluate activities in multiple curriculum areas related to key developmental indicators.
3. Student will demonstrate knowledge of developmentally appropriate, evidence-based curriculum and classroom practices: active learning, language acquisition and literacy, music and movement activities, cognition and critical thinking in all developmental domains.
4. Student will demonstrate knowledge of and ability to apply quality program standards, professional standards and the NAEYC Code of Ethical Conduct.
5. Student will plan, execute and evaluate a professional leadership project.
