

PROGRAM CHANGE OR DISCONTINUATION FORM

Program Code: APNURE

Program Name: Nursing Transfer (EMU School of Nursing)

Effective Term: Fall 2019

Division Code: HLT

Department: Nursing

Directions:

1. Attach the current program listing from the WCC catalog or Web site and indicate any changes to be made.
2. Draw lines through any text that should be deleted and write in additions. Extensive narrative changes can be included on a separate sheet.
3. Check the boxes below for each type of change being proposed. Changes to courses, discontinuing a course, or adding new courses as part of the proposed program change, must be approved separately using a Master Syllabus form, but should be submitted at the same time as the program change form.

Requested Changes:

- | | |
|--|--|
| <input type="checkbox"/> Review | <input type="checkbox"/> Program admission requirements |
| <input type="checkbox"/> Remove course(s): _____ | <input type="checkbox"/> Continuing eligibility requirements |
| <input type="checkbox"/> Add course(s): _____ | <input type="checkbox"/> Program outcomes |
| <input type="checkbox"/> Program title (title was _____) | <input type="checkbox"/> Accreditation information |
| <input type="checkbox"/> Description | <input checked="" type="checkbox"/> Discontinuation (attach program discontinuation plan that includes transition of students and timetable for phasing out courses) |
| <input type="checkbox"/> Type of award | <input type="checkbox"/> Other _____ |
| <input type="checkbox"/> Advisors | |
| <input type="checkbox"/> Articulation information | |

Show all changes on the attached page from the catalog.

Rationale for proposed changes or discontinuation:

This program is being discontinued due to

- 1) reduced student interest in this pathway, which does not end in an AAS. WCC's APNURS program has been revised and includes an EMU/WCC Collaborative Pathway, which is preferred by the students, and results in an AAS degree.
- 2) the attrition from this 16 member cohort program has been between 1 and 6 students. We have not graduated a full cohort of 16 since 2012.

Financial/staffing/equipment/space implications:

List departments that have been consulted regarding their use of this program.

Program Information Report**Nursing Transfer (EMU School of Nursing) (APNURE)****Associate in Applied Science Degree****Program Effective Term: Fall 2017****High Demand Occupation High Skill Occupation High Wage Occupation**

This WCC honors program prepares students for a smooth transition into the third and fourth years of Eastern Michigan University's School of Nursing (EMU-SoN) BSN program. Individuals will receive a solid science foundation and begin taking nursing courses during the first two years at WCC. Students will not be eligible for registered nurse (RN) licensure until completion of the EMU-SoN program. WCC students will graduate with an Associate in Applied Science Degree.

For detailed information regarding admission to this health care program, please visit our Health Programs department page at <http://health.wccnet.edu/>.

Articulation:

Eastern Michigan University, BSN degree.

Copies of articulation agreements can be obtained from the Counseling Office, a program advisor, or from the Curriculum and Assessment Office Web site:

<http://www.wccnet.edu/curriculum/articulation/levelone/colleges/>.**Applying for Admission to the Program:**

A formal application and acceptance to the program is required. Application packets may be downloaded from WCC's Student Connection, Health and Second Tier Program, information page <http://www.wccnet.edu/studentconnection/admissions/health-second-program/>. Completed and signed applications must be submitted during the dates indicated on the application to the Health and Second Tier Admissions Office in the Student Connection, located on the second floor of the Student Center Building. Students are encouraged to complete required support courses prior to beginning the program.

It is imperative that students meet with the Health Programs Counselor prior to enrolling in any courses that are considered part of this program to determine program eligibility. The program's curriculum plan has strict sequencing of its courses to meet continuing eligibility requirements to transfer. Students must meet with the Health Programs Counselor before they will be eligible to apply to the program.

Program Admission Requirements:

WCC uses a competitive admission process for high demand programs in health care. Each year, approximately 16 students are accepted to this program for a Fall semester start. This is a full-time program and no part-time option is available. There are multiple requirements that must be completed prior to submitting an application for admission. Applicants are required to meet all admission criteria and will be ranked based on a point system. The best qualified applicants will be selected for admission to the program. Details regarding WCC's Admission to High Demand Programs policy including priority levels are on WCC's Board of Trustees policy page: <http://www.wccnet.edu/trustees/policies/2005/>. Details regarding WCC's point scales that are used to calculate points are on WCC's Student Connection, Health and Second Tier Program, information page: <http://www.wccnet.edu/studentconnection/admissions/health-second-program/>.

Prerequisite and program requirements along with WCC's point system and scales are reviewed annually and subject to change. Students are expected to meet the prerequisite and program requirements of the catalog term for the semester in which they first begin the program.

Requirements for application are:

1. Admission to WCC.
2. Program Application and Requirements Checklist.
3. Communication Acknowledgement Form.
4. Additional Information Form.
5. Signed Abilities Statement. WCC reserves the right to request, before or during the program, that students successfully demonstrate the specific physical and cognitive abilities related to the Nursing program.
6. Criminal background check clearance (refer to Information Release Authorization form in the admission packet).
7. Signed Mandatory Meeting Form. Students must meet with the Health Programs Counselor prior to enrolling in any courses that are considered part of this program to determine program eligibility.
8. Residency Verification.
9. Nursing Pre-Entrance Math Test with a minimum score of 80% within 2 attempts.
10. Program Prerequisite Courses. Students must meet requirements from either option A (high school) OR B (college) below:
Option A. Applicants meeting admission requirements through HIGH SCHOOL courses (requires cumulative high school GPA 3.4):
 1. Academic Reading Level of 6 (college level)
 2. Academic Writing Level of 6 (college level)
 3. Academic Math Level of 3 or higher using SAT, ACT or ALEKS test scores
 4. 1 year of High School Biology (including lab) or WCC BIO 101, BIO 102 or BIO 111 with a minimum grade of B/3.0.
 5. 1 year of High School Chemistry (including lab) or WCC CEM 101, CEM 105 or CEM 111 with a minimum grade of B/3.0.

Program Information Report

6. Minimum cumulative High School GPA 3.4 (through Fall semester of senior year)

OR

Option B. Applicants meeting admission requirements through COLLEGE courses (cumulative high school GPA is below 3.4):

1. Academic Math Level of 3 or higher using SAT, ACT or ALEKS test scores or MATH 160 (or MTH 167 if taken before Winter 2017 semester) with a minimum grade of C/2.0. MTH 160 is required to graduate from this program.
2. 1 year of High School Biology (including lab) or WCC BIO 101, BIO 102 or BIO 111 with a minimum grade of B/3.0.
3. 1 year of High School Chemistry (including lab) or WCC CEM 101, CEM 105 or CEM 111 with a minimum grade of B/3.0.
4. Minimum cumulative College GPA of 3.4 (calculated on 12 college credits with at least 1 required science course). Only transcripts that provide an admission requirement course will be included in the calculation of the cumulative GPA. Academic courses within the program are recommended courses beyond required science course to meet 12 college credits.

Continuing Eligibility Requirements:

1. This transfer program is designed for full-time students.
2. Students are required to submit all health records completed between specific dates before enrolling in NUR 122 and annually update TB, BLS and HIPAA training. Prior to transfer, students may be required to have another physical examination and complete other health requirements specific to EMU-SON.
3. Students must possess a current Certified Nurse Aide (CNA) certification through the State of Michigan prior to the NUR 102/106 course sequence.
4. Additional criminal background checks may be conducted at any time during the program. Students are required to have urine drug test through a vendor for a fee as well as additional criminal background checks and/or fingerprinting prior to the start of a clinical sequence as requested by the clinical facilities. Failure to receive an acceptable drug test and/or criminal background/fingerprinting check at any time will result in dismissal from the program.
5. Students will be required to purchase special uniforms and supplies throughout the duration of the program.
6. Students are required to adhere to rules of the ANA Code of Ethics.
7. Students should be aware that the Michigan Board of Nursing may deny a license to an applicant who has been convicted of a crime or is addicted to drugs or alcohol.
8. Students are expected to maintain math competency in drug dosage calculations throughout the program.
9. Students must apply for graduation from WCC.
10. Students who are dismissed from WCC's program may not be eligible to reapply to the program.
11. Students must submit an application to EMU and meet all admission requirements to EMU in his/her final semester at WCC.
12. Students must pay for and take ATI exams according to course requirements prior to transferring to EMU.
13. To be admitted to EMU-SON, the student must:
 - a. A minimum of 2.0 GPA in all nursing (NUR) courses.
 - b. A minimum of 3.0 GPA in these science courses: BIO 111, BIO 237, CEM 140. Note: All science courses must be completed within 10 years of beginning the program at EMU.
 - c. A minimum of 2.0 GPA in SOC 100, PSY 100, ENG 111, MTH 160, COM elective, HSC 147 and BIO 212.
 - d. A cumulative GPA of 3.0 in CEM 140, ENG 111, PSY 100, BIO 111, HSC 147 and (ANT 201 or ANTH 135) whether completed at WCC or EMU.
 - e. An overall cumulative GPA of 3.0 at WCC.
14. Students must complete the BSN program in 6 years (starting with admission to the APNURE program at WCC). Students are only allowed to repeat a maximum of two (2) nursing (NUR) courses, which includes BIO 212. Further, a student may only repeat a failed nursing course one (1) time. Any failures in nursing courses taken prior to admission to EMU-SoN are counted toward dismissal and permanent dismissal decisions. Withdrawal from a nursing course twice is considered a failure.
15. Students must complete all other health requirements and criminal background checks per EMU-SoN policy.

Semester 1 (Fall)		(16 credits)

Articulation

Eastern Michigan University, BSN degree.

Copies of articulation agreements can be obtained from the Counseling Office, a program advisor, or from the Curriculum and Assessment Office Web site: www.wccnet.edu/curriculum/articulation/levelone/colleges.

Admissions Requirements

WCC uses a competitive admission process for high demand programs in health care. Each year, approximately 16 students are accepted to the Nursing Transfer (EMU School of Nursing) program for a Fall semester start. This is a full-time program and no part-time option is available. There are multiple requirements that must be completed prior to submitting an application for admission. Applicants are required to meet all admission criteria and will be ranked based on a point system. The best qualified applicants will be selected for admission to the program. Student residency will be a weighted factor in the process. Details regarding WCC's Admission to High Demand Programs policy including priority levels are on WCC's Board of Trustees policy page: www.wccnet.edu/trustees/policies/P005/. Details regarding WCC's point scales that are used to calculate points are on WCC's Student Connection, Health and Second Tier Program information page: WWW.wccnet.edu/studentconnection/admissions/health-second-program/.

Prerequisite and program requirements along with WCC's point system and scales are reviewed annually and subject to change. Students are expected to meet the prerequisite and program requirements of the catalog term for the semester in which they first begin the program.

Students must meet with the Health Programs Counselor prior to enrolling in any courses that are considered part of this program to determine program eligibility. The program's curriculum plan has strict sequencing of its courses to meet continuing eligibility requirements to transfer.

Students are encouraged to complete required support courses prior to beginning the program. Requirements for application are:

1. Admission to WCC.

2. Program Prerequisite Courses:

- 3 units of High School Mathematics or Academic Math Level 3 or MTH 160 or MTH 167 or MTH 169 or any Academic Math Level 4 or higher level course with a minimum grade of C/2.0. MTH 160 is required to graduate from this program.
- 4 units of High School English or ENG 111 with a minimum grade of C/2.0.
- 1 unit of High School Biology (including lab) or BIO 101 with a minimum grade of B/3.0.
- 1 unit of High School Chemistry (including lab) or CEM 101 with a minimum grade of B/3.0.
- 4 units of High School Courses or 1 College Course in Foreign Language and/or Social Science and/or Laboratory Science with a minimum grade of C/2.0.
- 4 units of Other High School Academic Courses or 1 College Course in any academic subject with a minimum grade of C/2.0.

3. Cumulative High School or College GPA of 3.4 (college calculated on a minimum of 12 credits). Only transcripts that provide an admission requirement course will be included in the calculation of the cumulative GPA.

4. ACT Composite score of 22 or SAT score of 1001. ACT or SAT scores are only required if the student's high school GPA is used to meet the cumulative GPA admission requirement.

5. Nursing Pre-Entrance Math Test with a minimum Score of 80%.

6. Signed Abilities Statement. WCC reserves the right to request, before or during the program, that students successfully demonstrate the specific physical and cognitive abilities related to the Nursing program.

7. Criminal background check clearance (refer to Information Authorization form in the admission packet).

8. Declaration of residency status (note that Washtenaw County residents are given priority in program initiation).

Residency verification.

Commented [MB1]: a. High school students submit ACT/SAT scores and current transcript with application. College requirements as stated by application deadline or High School requirements by last business day of June including final transcript;
• 3 units of high school Mathematics with a minimum grade of C/2.0
• 4 units of high school English with a minimum grade of C/2.0
• 1 unit of high school Biology with a minimum grade of B/3.0
• 1 unit of high school Chemistry with a minimum grade of B/3.0
• 4 units of high school courses with a minimum grade of C/2.0
• 4 units of high school courses with a minimum grade of C/2.0

Commented [MB2]: By last business day of June

Commented [MB3]: ~~Omit Math 167~~ if before WI 2017

Applicants are required to meet all admission criteria and will be ranked based on a point system. The best qualified applicants will be selected for admission to the program. Student residency will be a weighted factor in the process. Details regarding WCC's Admission to High Demand Programs policy including priority levels can be found on WCC's website at <http://www.wccnet.edu/trustees/policies/2005/>. Details regarding WCC's point scales that are used to calculate points can be found at <http://health.wccnet.edu>.

Prerequisite and program requirements along with WCC's point system and scales are reviewed annually and subject to change. Students are expected to meet the prerequisite and program requirements of the catalog term for the semester in which they first begin the program.

Students must meet with the Health Programs Counselor prior to enrolling in any courses that are considered part of this program to determine program eligibility. The program's curriculum plan has strict sequencing of its courses to meet continuing eligibility requirements to transfer.

Students are encouraged to complete required support courses prior to beginning the program.

Requirements for application are:

1. Admission to WCC.
2. Program Prerequisite Courses:
 - a. 3 units of High School Mathematics or Academic Math Level 3 or MTH 160 or MTH 167 or MTH 169 or any Academic Math Level 4 or higher level course with a minimum grade of C/2.0. MTH 160 is required to graduate from this program.
 - b. 4 units of High School English or ENG 111 with a minimum grade of C/2.0.
 - c. 1 unit of High School Biology (including lab) or BIO 101 with a minimum grade of B/3.0.
 - d. 1 unit of High School Chemistry (including lab) or CEM 101 with a minimum grade of B/3.0.
 - e. 4 units of High School Courses or 1 College Course in Foreign Language and/or Social Science and/or Laboratory Science with a minimum grade of C/2.0.
 - f. 4 units of Other High School Academic Courses or 1 College Course in any academic subject with a minimum grade of C/2.0.
3. Cumulative High School or College GPA of 3.4 (college calculated on a minimum of 12 credits). Only transcripts that provide an admission requirement course will be included in the calculation of the cumulative GPA.
4. ACT Composite score of 22 or SAT score of 1001. ACT or SAT scores are only required if the student's high school GPA is used to meet the cumulative GPA admission requirement.
5. Nursing Pre-Entrance Math Test with a minimum Score of 80%.
6. Signed Abilities Statement. WCC reserves the right to request, before or during the program, that students successfully demonstrate the specific physical and cognitive abilities related to the Nursing program.
7. Criminal background check clearance (refer to Information Authorization form in the admission packet).
8. Declaration of residency status (note that Washtenaw County residents are given priority in program initiation).

Program Information Report

Continuing Eligibility Requirements:

1. This transfer program is designed for full-time students.
2. Students are required to submit all health records completed between May 1 and July 25 before enrolling in NUR 122 and annually update TB, BLS and HIPAA training. Prior to transfer, students may be required to have another physical examination and complete other health requirements specific to EMU-SON.
3. Students must possess a current Certified Nurse Aide (CNA) certification through the State of Michigan prior to the NUR 102/106 course sequence.
4. Additional criminal background checks may be conducted at any time during the program. Students may be required to have drug testing as well as additional criminal background checks and/or fingerprinting prior to the start of a clinical sequence as requested by specific clinical facilities. Failure to receive an acceptable drug test and/or criminal background/fingerprinting check at any time will result in dismissal from the program.
5. Students will be required to purchase special uniforms and supplies throughout the duration of the program.
6. Students are required to adhere to rules of the ANA Code of Ethics.
7. Students should be aware that the Michigan Board of Nursing may deny a license to an applicant who has been convicted of a crime or is addicted to drugs or alcohol.
8. Students are expected to maintain math competency in drug dosage calculations throughout the program.
9. Students must apply for graduation from WCC.
10. Students who are dismissed from WCC's program may not be eligible to reapply to the program.
11. Students must submit an application to EMU and meet all admission requirements to EMU in his/her final semester at WCC.
12. Students must take ATI exams according to course requirements.
13. To be admitted to EMU-SON, the student must:
 - a. A minimum of 2.0 GPA in all nursing (NUR) courses.
 - b. A minimum of 3.0 GPA in these science courses: BIO 111, BIO 237, CEM 140. Note: All science courses must be completed within 10 years of beginning the program at EMU.
 - c. A minimum of 2.0 GPA in SOC 100, PSY 100, ENG 111, MTH 160, COM elective, HSC 147 and BIO 212.
 - d. A cumulative GPA of 3.0 in CEM 140, ENG 111, PSY 100, BIO 111, HSC 147 and (ANT 201 or ANTH 135) whether completed at WCC or EMU.
 - e. An overall cumulative GPA of 3.0 at WCC.
14. Students must complete the BSN program in 6 years (starting with admission to the APNURE program at WCC). Students are only allowed to repeat a maximum of two (2) nursing (NUR) courses, which includes BIO 212. Further, a student may only repeat a failed nursing course one (1) time. Any failures in nursing courses taken prior to admission to EMU-SoN are counted toward dismissal and permanent dismissal decisions. Withdrawal from a nursing course twice is considered a failure.
15. Students must complete all other health requirements and criminal background checks per EMU-SoN policy.

Semester 1 (Fall) (15 credits)

BIO 111	Anatomy and Physiology - Normal Structure and Function	5
CIS 100 or	Introduction to Computer Productivity Apps	
CIS 110	Introduction to Computer Information Systems	3

ACADEMICS

Nursing Transfer (EMU School of Nursing) (APNURE)

Associate in Applied Science Degree

2013 - 2014 2014 - 2015 2015 - 2016

Description

This WCC honors program prepares students for a smooth transition into the third and fourth years of Eastern Michigan University's School of Nursing (EMU-SoN) BSN program. Individuals will receive a solid science foundation and begin taking nursing courses during the first two years at WCC. Students will not be eligible for registered nurse (RN) licensure until completion of the EMU-SoN program. WCC students will graduate with an Associate in Applied Science Degree.

Articulation

Eastern Michigan University, BSN degree.

Copies of articulation agreements can be obtained from the Counseling Office, a program advisor, or from the Curriculum and Assessment Office Web site:

www.wccnet.edu/departments/c/curriculum/articulation.php?levelone=colleges.

Admissions Requirements

Washtenaw Community College uses a competitive admission process for high demand programs in health care. There are multiple requirements that must be completed prior to submitting an application for admission. For detailed information regarding admission to this health care program, please visit our Welcome to Health Care home page at: health.wccnet.edu/

Program Information Report**School of Nursing and Health Sciences**

Find your place in the growing field of health care. The School of Nursing and Health Sciences provides a variety of programs designed to prepare the student for entry-level positions in dental assisting, pharmacy technology, physical therapist assistant, radiography, nursing assistant or professional nursing. The health care foundations certificate provides a starting point for prospective nursing and health science students or provides the general education courses to move from completion of a certificate program into an associate degree program.

Washtenaw Community College offers programs at several levels for students who want to begin new careers, or advance in their existing careers. The first level is the certificate, which can vary from nine to thirty-six credits, depending on the field. Certificates generally prepare students for entry-level jobs.

After completing a certificate, students can progress to the next level, the advanced certificate. The credit hours required for these programs also vary. This type of certificate provides a more specialized level of skill development, and often allows students to upgrade their positions at their places of employment.

The next level, an Associate in Applied Science, is available for some programs. For some career fields, it is possible to earn a certificate, advanced certificate, and an Associate in Applied Science degree in the same field. In these cases, the credit hours from the certificate and advanced certificate can be applied to the credit hours needed for the Associate in Applied Science degree.

Alternatively, students can earn an AAS in Occupational Studies by completing a certificate, advanced certificate and General Education requirements.

Nursing

Prepare for a career in a variety of health care settings through these certificate and associate in applied science degree program.

Program Information Report**Nursing Transfer (EMU School of Nursing) (APNURE)****Associate in Applied Science Degree****Program Effective Term: Fall 2012**

This WCC honors program prepares students for a smooth transition into the third and fourth years of Eastern Michigan University's School of Nursing (EMU-SoN) BSN program. Individuals will receive a solid science foundation and begin taking nursing courses during the first two years at WCC. Students will not be eligible for registered nurse (RN) licensure until completion of the EMU-SoN program. WCC students will graduate with an Associate in Applied Science Degree.

Articulation:

Eastern Michigan University, BSN degree.

Copies of articulation agreements can be obtained from the Counseling Office, a program advisor, or from the Curriculum and Assessment Office Web site:

<http://www.wccnet.edu/departments/curriculum/articulation.php?levelone=colleges>.

Program Admission Requirements:

WCC is suspending admission to this program until Fall 2013 when the next new class will be admitted.

An application and acceptance to the program is required. The application deadline is February preceding each Fall admission cycle. Since students are required to follow a pre-determined, full-time course sequence, it is essential that students meet with the Health Programs Counselor BEFORE starting any coursework and complete the Mandatory Meeting form with the appropriate signatures. (Students who wish to transfer to nursing programs at other four-year colleges or universities should check with an advisor or counselor for a transfer guide to that institution).

Sixteen (16) students are admitted each Fall semester to the Nursing Transfer Program.

Students must complete a second application for the Nursing Transfer (EMU School of Nursing) program after being admitted to Washtenaw Community College. Further, the student must meet all admission requirements of both WCC and Eastern Michigan University. Click here for the APNURE Application Packet. http://www4.wccnet.edu/departments/health/pdfs/NURE-2011-2012_Application_Packet.pdf

Applicants must meet the following minimum admission requirements to be considered for admission to the WCC/EMU-SoN program:

1. Minimum cumulative GPA of 3.4 for high school
OR
Minimum cumulative college GPA of 3.4 (calculated on minimum of 12 credits)
2. Minimum SAT score of 1001 or minimum ACT composite score of 22
OR
12 college credits with a minimum cumulative GPA of 3.4
3. Minimum grade of "B" in all required science courses
4. Completion of the following required high school coursework or equivalent college level course
 - a. Four (4) units of high school English
OR
minimum three (3) college credits of Composition I (ENG 111 at WCC)
 - b. Three (3) units of high school math (Algebra I and II, Geometry)
OR
WCC's Academic Math Level of 3, MTH 160, MTH 167, MTH 169 or any math level 4 or higher course
 - c. One (1) unit of high school chemistry
OR
minimum four (4) credits of college chemistry including lab (CEM 090 at WCC)
 - d. One (1) unit of high school biology
OR
minimum four (4) credits of college biology including lab (BIO 101 at WCC)
 - e. Four (4) units of high school foreign language and/or social science and/or laboratory science
OR
minimum three (3) college credits in a foreign language, social science or laboratory science course. The laboratory science course must be in addition to the course(s) required above.
 - f. Four (4) units of other high school academic courses
OR
minimum three (3) college credits in any academic subject (WCC course numbered 100 and above)

5. Students who have a GED certificate are considered to have completed all items above except the chemistry and biology requirements. GED recipients must also submit a copy of their high school transcript. GED recipients must document completion of

Program Information Report

their biology and chemistry via their high school transcript and/or completion of an appropriate college class.

- 6. Minimum score of 80% on a pre-admission math test
- 7. Criminal background check clearance (refer to Information Release Authorization form in the admission packet)
- 8. Signed Abilities Statement on file
- 9. TOEFL Scores
 - Internet-based version = 89 or higher
 - Reading = 22 or higher
 - Speaking = 24 or higher
 - Listening = 23 or higher
 - Writing = 20 or higher

Continuing Eligibility Requirements:

- 1. This transfer program is designed for full-time students.
- 2. Students are required to submit all health records completed between May 1 and July 25, by July 25 before enrolling in NUR 122, and annually update TB, BLS and HIPAA training.
- 3. Students must possess a current Certified Nurse Aide (CNA) certification prior to the NUR 102/106 course sequence.
- 4. Students are required to have additional criminal background checks and/or fingerprinting prior to the start of a clinical sequence as requested by specific clinical facilities. Failure to receive an acceptable criminal background/fingerprinting check at any time will result in dismissal from the nursing program.
- 5. Students are expected to maintain math competency in drug dosage calculations throughout the program. MTH 167 is an optional preparatory math course to assist students to achieve this competency.
- 6. Students must apply for graduation from WCC.
- 7. To be admitted to EMU-SoN, the student must have:
 - A minimum of 2.0 in all nursing courses (i.e. NUR 102, NUR 106, NUR 115, NUR 122, NUR 130, NUR 222)
 - A minimum of 3.0 in these science courses (i.e. BIO 111, BIO 237, CEM 140). Note: All science courses must be completed within ten (10) years of beginning the program at EMU.
 - A minimum of 2.0 in SOC 100, PSY 100, ENG 111, MTH 160, COM elective, HSC 147, BIO 212
 - A cumulative GPA of 3.0 in CEM 140, ENG 111, PSY 100, BIO 111, HSC 147, (ANT 201 or ANTH 135), whether completed at WCC or EMU.
 - An overall cumulative GPA of 3.0 at WCC
- 8. Students are only allowed to repeat a maximum of two (2) nursing courses, which includes BIO 212 Pathophysiology. Further, a student may only repeat a failed nursing course one (1) time. Any failures in nursing courses taken prior to admission to EMU-SoN (i.e. NUR courses and BIO 212 taken at WCC) are counted toward dismissal and permanent dismissal decisions.
- 9. Students must take ATI exams for Fundamentals of Pharmacology.
- 10. Students must complete all other health requirements and criminal background checks per EMU-SoN policy.

Minimum Credits Required for the Concentration or Option:

Minimum Credits Required for the Program: 71

Notes:

*Optional for receiving the MACRAO stamp prior to transfer

See WCC-EMU articulation agreement for a description of the additional credit hours that can be taken at WCC.

PROGRAM CHANGE OR DISCONTINUATION FORM

Program Code: APNURE Program Name: Nursing Transfer (EMU School of Nursing)
 Division Code: MSH Department: NHSD

Effective Term: Winter 2012

Directions:

1. Attach the current program listing from the WCC catalog or Web site and indicate any changes to be made.
2. Draw lines through any text that should be deleted and write in additions. Extensive narrative changes can be included on a separate sheet.
3. Check the boxes below for each type of change being proposed. Changes to courses, discontinuing a course, or adding new courses as part of the proposed program change, must be approved separately using a Master Syllabus form, but should be submitted at the same time as the program change form.

Requested Changes:

- | | |
|--|---|
| <input type="checkbox"/> Review | <input checked="" type="checkbox"/> Program admission requirements |
| <input type="checkbox"/> Remove course(s): _____ | <input type="checkbox"/> Continuing eligibility requirements |
| <input type="checkbox"/> Add course(s): _____ | <input type="checkbox"/> Program outcomes |
| <input type="checkbox"/> Program title (title was _____) | <input type="checkbox"/> Accreditation information |
| <input type="checkbox"/> Description | <input type="checkbox"/> Discontinuation (attach program discontinuation plan that includes transition of students and timetable for phasing out courses) |
| <input type="checkbox"/> Type of award | <input type="checkbox"/> Other _____ |
| <input type="checkbox"/> Advisors | |
| <input type="checkbox"/> Articulation information | |

Show all changes on the attached page from the catalog.

Rationale for proposed changes or discontinuation:

This was suggested by the Health Admissions Office for assisting in determining equivalency of 3.4 HS GPA and 3.0 College GPA. Having both GPA requirements as 3.4 will assist/clarify this determination esp. if rank-ordering of applicants becomes necessary for this honor's program.

TOEFL – change from ‘Spelling’ to ‘Speaking’ – this section name of the test was incorrect.

Financial/staffing/equipment/space implications:

List departments that have been consulted regarding their use of this program.

See WCC-EMU articulation agreement for a description of the additional credit hours that can be taken at WCC.

Nursing Transfer (APNURE)

This WCC honors program prepares students for a smooth transition into the third and fourth years of Eastern Michigan University's School of Nursing (EMU-SoN) BSN program. Individuals will receive a solid science foundation and begin taking nursing courses during the first two years at WCC. Students will not be eligible for registered nurse (RN) licensure until completion of the EMU-SoN program. WCC students will graduate with an Associate in Applied Science Degree.

Articulation: Eastern Michigan University, BSN degree. Copies of articulation agreements can be obtained from the Counseling Office, a program advisor, or from the Curriculum and Assessment Office Web site: <http://www.wccnet.edu/departments/curriculum/articulation.php?levelone=colleges>.

Program Admission Requirements: An application and acceptance to the program is required. The application deadline is July preceeding each winter admission cycle. Since students are required to follow a pre-determined, full-time course sequence, it is essential that students meet with the Health Programs Counselor **before** starting any coursework and complete the Mandatory Meeting form with the appropriate signatures.

(Students who wish to transfer to nursing programs at other four-year colleges or universities should check with an advisor or counselor for a transfer guide to that institution).

Sixteen (16) students are admitted each winter semester to the Nursing Transfer Program.

Students must complete a second application for the Nursing Transfer (EMU School of Nursing) program after being admitted to Washtenaw Community College. Further, the student must meet all admission requirements of both WCC and Eastern Michigan University.

Applicants must meet the following minimum admission requirements to be considered for admission to the WCC/EMU-SoN program:

1. Minimum cumulative GPA of 3.4 for high school
- OR
- Minimum cumulative college GPA of 3.0 (calculated on minimum of 12 credits)
2. Minimum SAT score of 1001 or minimum ACT composite score of 22
- OR
- 12 college credits with a minimum cumulative GPA of 3.0
3. Minimum grade of "B" in all required science courses
4. Completion of the following required high school coursework or equivalent college level course
 - a. Four (4) units of high school English
- OR
- minimum three (3) college credits of Composition I (ENG 111 at WCC)

Continued on next page

Nursing Transfer (EMU School of Nursing) (APNURE) Associate in Applied Science Degree

Continued from previous page

b. Three (3) units of high school math (Algebra I and II, Geometry)

OR

WCC's Academic Math Level 3

c. One (1) unit of high school chemistry

OR

minimum four (4) credits of college chemistry including lab (CEM 090 at WCC)

d. One (1) unit of high school biology

OR

minimum four (4) credits of college biology including lab (BIO 101 at WCC)

e. Four (4) units of high school foreign language and/or social science and/or laboratory science

OR

minimum three (3) college credits in a foreign language, social science or laboratory science course. The laboratory science course must be in addition to the course(s) required above.

f. Four (4) units of other high school academic courses

OR

minimum three (3) college credits in any academic subject (WCC course numbered 100 and above)

5. Students who have a GED certificate are considered to have completed all items above except the chemistry and biology requirements. GED recipients must also submit a copy of their high school transcript. GED recipients must document completion of their biology and chemistry via their high school transcript and/or completion of an appropriate college class.

6. Minimum score of 80% on a pre-admission math test

7. Criminal background check clearance (refer to Information Release Authorization form in the admission packet)

8. Signed Abilities Statement on file

9. TOEFL Scores

Internet-based version = 89 or higher

Reading = 22 or higher

Spelling = 24 or higher

Listening = 23 or higher

Writing = 20 or higher

Continuing Eligibility Requirements:

1. This transfer program is designed for full-time students.

2. Students are required to submit all health records completed between May 1 and July 31, by July 31 before enrolling in NUR 122, and annually update TB, BLS and HIPAA training.

3. Students must possess a current Certified Nurse Aide (CNA) certification prior to the NUR 102/106 course sequence.

4. Students are required to have additional criminal background checks and/or fingerprinting prior to the start of a clinical sequence as requested by specific clinical facilities. Failure to receive an acceptable criminal background/fingerprinting check at any time will result in dismissal from the nursing program.

5. Students are expected to maintain math competency in drug dosage calculations throughout the program. MTH 167 is an optional preparatory math course to assist students to achieve this competency.

6. Students must apply for graduation from WCC.

7. To be admitted to EMU-SoN, the student must have:

- A minimum of 2.0 in all nursing courses (i.e. NUR 102, NUR 103, NUR 115, NUR 122, NUR 130, NUR 222)

- A minimum of 3.0 in these science courses (i.e. BIO 111, BIO 237, and CEM 140). Note: All science courses must be completed within ten (10) years of beginning the program at EMU.

- A minimum of 2.0 in SOC 100, PSY 100, ENG 111, MTH 160, COM elective, HSC 147, BIO 212

- A cumulative GPA of 3.0 in CEM 140, ENG 111, PSY 100, BIO 111, HSC 147, (ANT 201 or ANTH 135), whether completed at WCC or EMU.

- An overall cumulative GPA of 3.0 at WCC

8. Students are only allowed to repeat a maximum of two (2) nursing courses, which includes BIO 212 Pathophysiology. Further, a student may only repeat a failed nursing course one (1) time. Any failures in nursing courses taken prior to admission to EMU-SoN (i.e. NUR courses and BIO 212 taken at WCC) are counted toward dismissal and permanent dismissal decisions.

9. Students must take ATI exams for Fundamentals of Pharmacology.

10. Students must complete all other health requirements and criminal background checks per EMU-SoN policy.

Program Information Report**School of Nursing and Health Sciences**

Find your place in the growing field of health care. The School of Nursing and Health Sciences provides a variety of programs designed to prepare the student for entry-level positions in dental assisting, pharmacy technology, physical therapist assistant, radiography, nursing assistant or professional nursing. The health care foundations certificate provides a starting point for prospective nursing and health science students or provides the general education courses to move from completion of a certificate program into an associate degree program.

Washtenaw Community College offers programs at several levels for students who want to begin new careers, or advance in their existing careers. The first level is the certificate, which can vary from nine to thirty-six credits, depending on the field. Certificates generally prepare students for entry-level jobs.

After completing a certificate, students can progress to the next level, the advanced certificate. The credit hours required for these programs also vary. This type of certificate provides a more specialized level of skill development, and often allows students to upgrade their positions at their places of employment.

The next level, an Associate in Applied Science, is available for some programs. For some career fields, it is possible to earn a certificate, advanced certificate, and an Associate in Applied Science degree in the same field. In these cases, the credit hours from the certificate and advanced certificate can be applied to the credit hours needed for the Associate in Applied Science degree.

Alternatively, students can earn an AAS in Occupational Studies by completing a certificate, advanced certificate and General Education requirements.

Nursing

Prepare for a career in a variety of health care settings through these certificate and associate in applied science degree program.

Nursing Transfer (EMU School of Nursing) (APNURE)**Associate in Applied Science Degree**

Program Effective Term: Fall 2011

This WCC honors program prepares students for a smooth transition into the third and fourth years of Eastern Michigan University's School of Nursing (EMU-SoN) BSN program. Individuals will receive a solid science foundation and begin taking nursing courses during the first two years at WCC. Students will not be eligible for registered nurse (RN) licensure until completion of the EMU-SoN program. WCC students will graduate with an Associate in Applied Science Degree.

Program Description for Catalog and Web site	This program prepares students for a smooth transition into the third and fourth years of Eastern Michigan University's School of Nursing (EMU-SoN) BSN program. Individuals will receive a solid science foundation and begin taking nursing courses during the first two years at WCC. Students will not be eligible for registered nurse (RN) licensure until completion of the EMU-SoN program. WCC students will graduate with an Associate in Applied Science Degree.		

Program Information**Accreditation/Licensure - None**

Advisors – *Pre-Admission Advisor: Susan Travis*
Post-Admission Advisor: Sarah Chun

Advisory Committee – *Existing*

Admission requirements –

Students must complete a second application for the Nursing Transfer (EMU School of Nursing) program after being admitted to Washtenaw Community College. The application deadline will be in July preceding the winter admission cycle. Further, the student must meet all admission requirements of both WCC and Eastern Michigan University:

1. *Meet with the Health Programs Counselor and complete the Mandatory Meeting form with the appropriate signatures. *Since students are required to follow a pre-determined, full-time course sequence, it is required that they meet with the Health Programs Counselor **before** starting any coursework.*
2. *Minimum high school GPA of 3.4*
3. *SAT scores above 1000 or an ACT composite score above 21*
4. *Minimum grade of at least "B" in all high school science courses.*
5. *Required high school work must include (or college equivalent curriculum):*
 - *Four units of English*
 - *Three units of math*
 - *Two units of laboratory science, including chemistry and biology*
 - *Four units of foreign language and/or social science and/or laboratory science*
 - *Four units of other academic courses*
6. *Criminal background check clearance (refer to Information Release Authorization form in the admission packet)*
7. *Pass a pre-admission math test with 80 percent or better*
8. *Signed Abilities Statement on file*
9. *TOEFL Scores:*
 - *Internet-based version = 89 or higher*
 - *Reading = 22 or higher*
 - *Spelling = 24 or higher*
 - *Listening = 23 or higher*
 - *Writing = 20 or higher*

Articulation agreements – Eastern Michigan University**Continuing eligibility requirements –**

1. *This transfer program is designed for full-time students.*
2. *Students are required to submit all health records completed between May 1 and July 31, by July 31 before enrolling in NUR122, and annually update TB, BLS and HIPAA training.*
3. *Students must possess a current Certified Nurse Aide (CNA) certification by the second year (i.e. prior to the NUR 102/103 course sequence).*
4. *Students are required to have additional criminal background checks and/or fingerprinting prior to the start of a clinical sequence as requested by specific clinical facilities. Failure to receive an acceptable criminal background/fingerprinting check at any time will result in dismissal from the nursing program.*
5. *Students are expected to maintain math competency in drug dosage calculations throughout the program. MTH 167 is an optional preparatory math course to assist students to achieve this competency.*
6. *Students must demonstrate basic computer literacy skills by successfully passing the Computer and Information Literacy Test. See general education graduation requirements in the WCC bulletin. The test may be taken at any point during the program, but must be completed before graduation.*
7. *Students must apply for graduation from WCC.*
8. *To be admitted to EMU-SON, the student must have:*
 - *A minimum of 2.0 in all nursing courses (i.e. NUR 102, NUR 103, NUR 115, NUR 122, NUR 130, NUR 222)*
 - *A minimum of 3.0 in these science courses (i.e. BIO 111, BIO 237, CEM 140). Note: All science courses must be completed within ten (10) years of beginning the program at EMU.*
 - *A minimum of 2.0 in SOC 100, PSY 100, ENG 111, MTH 160, COM elective, HSC 147, BIO 212*
 - *A cumulative GPA of 3.0 in CEM 140, ENG 111, PSY 100, BIO 111, HSC 147, (ANT 201 or ANTH 135), whether completed at WCC or EMU*

	<p>- An overall cumulative GPA of 3.0 at WCC</p> <p>9. Students are only allowed to repeat a maximum of two (2) nursing courses, which includes BIO 212 Pathophysiology. Further, a student may only repeat a failed nursing course one (1) time. Any failures in nursing courses taken prior to admission to EMU-SON (i.e. NUR courses and BIO 212 taken at WCC) are counted toward dismissal and permanent dismissal decisions.</p> <p>10. Students must take ATI exams for Fundamentals and Pharmacology.</p> <p>11. Students must complete all other health requirements and criminal background checks per EMU-SON policy.</p>
--	---

Assessment plan:

Program outcomes to be assessed	Assessment tool	When assessment will take place	Courses/other populations	Number students to be assessed
Meet the requirements for admission to the Eastern Michigan School of Nursing BSN program in the 3 rd year.	Follow-up survey with EMU School of Nursing.	Fall 2013	All students	Approximately 16

Scoring and analysis plan:

1. Indicate how the above assessment(s) will be scored and evaluated (e.g. departmentally developed rubric, external evaluation, other). Attach the rubric.

WCC advisors for the Nursing Transfer (EMU School of Nursing) program will tabulate admission/retention data and follow-up with EMU-SoN to determine acceptance of those students applying for junior-level transfer status.

2. Indicate the standard of success to be used for this assessment.

80% of WCC graduates will be admitted to EMU- SoN upon completion of the WCC degree program.

3. Indicate who will score and analyze the data.

EMU – Office of Admissions and the School of Nursing will determine transfer eligibility and admission status.

4. Explain how and when the assessment results will be used for program improvement.

Schedule annual meetings with representatives of the EMU-SoN for ongoing review of articulation agreement and report of success (i.e. completion of BSN degree) after transfer from WCC.
