Wednesday, August 20, 2014

CONCURRENT SESSIONS

8:30am – 9:30am	Solidarity Breakfast – ML Lobby The WCC faculty union invites all WCC unionized employees to join them for the Annual Solidarity Breakfast. WCCEA announcements & updates by WCCEA President, Maryam Barrie.
9:00am – 10:00am	Working with Advisory Committees – OE 129 All occupational programs are required to have an advisory committee. Discuss ways to organize your advisory committee responsibilities in an efficient manner. We will discuss recruitment/membership, meeting techniques and record keeping. Discussion is open for challenging and sensitive topics.
9:00am – 11:00am	Full Math Department Meeting – LA 175 All instructors in the math department will have an opportunity for professional development within the department and work with specific course mentors.
10:00am – 11:30am	Curriculum and Assessment Committee Meeting – SC 304 Inservice meeting for Curriculum and Assessment committee members.
9:00am – 12:00pm	“Who’s Who” Photo Shoot – BE 150 Come have your photo taken for the new “Who’s Who” pictorial directory of 2014! The new book will be published this fall so make sure your photo is included in the “Who’s Who” of WCC. Lots of new faces over the last two years!
10:00am – 11:30am	Introduction to Electronic Accessibility – SC 318 Learning Support Services invites you to this session where we will demonstrate some basic accessibility review and requirements per the ADA. If time permits, we will review some of the current assistive technology students are using.
10:00am – 11:00am	Classroom-Based Lecture Capture – GM 205 If you would like to record your lectures along with what is showing on the white board, computer, laptop or document camera, come to Media Services’ demo of the classroom-based lecture capture system in GM 205. You may find applications for both flipped classroom instruction and lecture review.
10:00am – 3:00pm	Career Services Open House – MI 104 Take a break and come to the Career Services Open House. This is a great opportunity to see Career Services’ new location and meet our staff. Learn how our department can support you and your students through customized job updates, class presentations, and employer relationships. Refreshments will be provided.
10:30am – 12:00pm	MI ACE Women’s Network – ML 103/123 The State Coordinator for MI-ACE Women’s Network will be providing an overview of the state organization and discussing the professional development benefits of the organization. WCC is currently a member of the MI-ACE Women’s Network, our goal is to increase participation in the organization.
11:00am – 12:00pm	Turning Point Student Response Clicker System – GM 118 Whether you want to poll students informally in class as an active engagement tool or integrate polling tests with Blackboard, come and see Media Services’ demo of the TurningPoint Student Response Clicker system.
11:00am – 12:30pm	MSH Division Chairs Meeting – LA 152 This is a department chair meeting for chairs in the Math, Science and Health departments. Lunch will be served. Please bring your calendars.
11:30am – 1:00pm	DL-Bb Faculty Committee – GM 230K The DL-Bb Faculty Committee will meet to discuss the changes and reorganization of Distance Learning at the college.
11:30am – 1:00pm	OnCourse Best Practices at WCC – ML 160 Please join us as our colleagues regale us with their successes (or not) in applying On Course practices to their courses at WCC. A potluck lunch will be provided.
12:00pm – 2:00pm	Business Department reception with part time faculty – BE 240 Full time and part time Business department faculty will meet to: 1) welcome new and returning faculty, 2) discuss classroom management techniques, 3) exchange ideas on student projects/assignments that have contributed to learning, 4) and lead instructors will break out to discuss course structure/content with their respective part time faculty.
1:00pm – 3:00pm	Department Meetings
1:00pm – 5:00pm	Behavioral Science Retreat – LA 382
3:00pm – 4:00pm	Windows 8.1 Update 1 – GM118 Please join ITS as we review the latest update (called Windows 8.1 Update 1) to Microsoft’s current operating system. We’ll take a look at some of the new features and improvements brought on to continue to help make this update more familiar to traditional PC users.
3:00pm – 4:00pm	Innovative Teaching: Exercise Science Lab Demo – LA 235 Drop in to see and experience the Exercise Science Lab! Marvin Boluyt, Biology Department, will show you how students learn in this innovative lab.
3:00pm – 4:30pm	Celebration of Giving – ML Atrium The Washtenaw Community College Foundation invites you to see how your generous contributions to the Foundation have positively affected the lives of our students. Julaine LeDuc, Director of Advancement will share how employee giving has positively impacted the Foundation’s scholarship work and how you might get more involved. The Foundation will provide refreshments as a thank you for your efforts. We hope you will join us!
4:00 pm – 5:00pm	Physical Sciences part-time full-time department meeting – LA 340 Join us for updates. (light snacks).

Thursday, August 21, 2014

CONCURRENT SESSIONS

8:30am – 4:00pm	Online Power Tools for the Classroom Summit – See next page for full schedule and locations Charge up your Online Power Tools by dropping in for one session or stay for the whole day!
9:00am – 10:00am	The Brave New World of Free Teaching Resources – LA 378 Frustrated at the cost of textbooks? Heard of OER's (Open Educational Resources) but aren't sure what they are? Don't have time to look for classroom resources yourself? We've done the work for you! Come join us for an overview of FREE teaching resources and take a look at the subject-specific resources we've put together for you in over 30 high-enrollment disciplines
9:00am – 10:00am	Entrepreneurship@WCC – ML 101 Come learn about the Entrepreneurship Center that will be opening this Fall on our campus. An overview of the center, its programs and services will be provided. The goal of the session is to inform faculty/staff, answer questions and discuss ideas for the future of the center and entrepreneurship across campus.
9:00am – 12:00pm	Humanities Full Department Meeting – ML 103/121 All Humanities department faculty are invited to the Fall 2014 welcome meeting and Breakfast. Please RSVP to Whitney Weathersby at wweathers@wccnet.edu or (734) 973-3712 no later than August 12, 2014.
10:00am – 11:00am	DegreeWorks: a User-Friendly Degree Audit Tool – BE 276 DegreeWorks is a web-based tool to monitor student's academic progress toward completion of a degree or certificate. It offers many special features including the ability to run an audit on any of our programs, calculate cumulative GPA or add future courses to the audit. Join us for a preview of all DegreeWorks special features.
10:00am – 11:00am	Mobile Lecture Capture Platforms – GM 205 Would you like to record your lectures for flipped classroom instruction or simply for your students to review as needed? Would you like to record your students' presentations for assessment purposes? Come and see the lecture capture options that Media Services provides on a mobile platform for use in a classroom.
10:00 am – 2:00 pm	"Who's Who" Photo Shoot – SC 211 (old Board Room) Come have your photo taken for the new "Who's Who" pictorial directory of 2014! The new book will be published this fall so make sure your photo is included in the "Who's Who" of WCC. Lots of new faces over the last two years!
12:00pm – 1:00pm	Non-Pharmacological Treatment of Pain – TI 205 This program describes pain pathways and non-pharmacological treatments for chronic pain. It is presented by Jody Kohn, LMSW, MA, a licensed clinical social worker in private practice, specializing in Centralized Pain Syndromes and Disability. The program will provide continuing education credits for nurses but all are welcome to attend. The full time/part-time annual nursing faculty meeting will follow the program.
12:00pm – 1:30pm	Curriculum and Assessment Work Session – BE 272 Please come to the Curriculum and Assessment work session to have all of your course and program development questions answered! Committee members will be there to help answer questions, brainstorm wording and discuss strategies. CurricuNet experts will also be there to help you with any technical questions you may have.
12:30pm – 4:00pm	WCCEA Board Meeting – ML 160 WCCEA area representatives and the WCCEA executive team will be meeting for lunch and a meeting to determine goals for the year. Please RSVP to Julie Kissel (jkissel@wccnet.edu).
1:00pm – 2:30pm	Nursing Potluck – TI 207 For all of the Part-time instructors to meet with their full-time Course Coordinator and the rest of the nursing faculty for updates. We provide our own food to pass.
2:00pm – 3:00pm	DegreeWorks: a User-Friendly Degree Audit Tool – BE 276 DegreeWorks is a web-based tool to monitor student's academic progress toward completion of a degree or certificate. It offers many special features including the ability to run an audit on any of our programs, calculate cumulative GPA or add future courses to the audit. Join us for a preview of all DegreeWorks special features.
2:45pm – 3:30pm	NetApps Data Storage Curriculum Demo / Q and A – BE 272 Meeting of CIS Department to consider adoption of storage technologies curriculum by NetApp storage services company.

Online Power Tools for the Classroom Summit

Thursday, August 21, 2014

8:30am – 9:00am	Breakfast Buzz – GM 320 Let the games begin! Come to the Breakfast Buzz to enjoy a light breakfast with colleagues and get your Power Tools team assignment. Teams and individuals will have the opportunity to win prizes throughout the summit and this breakfast is your first chance to sign up and get started.
9:00am – 9:45am	Smart Phone Videos – GM 320 Come learn how to utilize your iPhone to make content for your online classroom! Blackboard Announcements can be personal and engaging in just moments. Join Jessica Hale and learn how to create short, snappy videos for all your classes! Bring your iPhone and laptop with you for the best results!
9:45am – 10:00am	ADA/Accessibility – GM 319 Can all students access information in your online classroom? Attend this crucial presentation to help students with disabilities have access to online information they need to be successful in your class. Jason Withrow and Jim Cavanaugh present recommendations.
10:00am – 10:45am	EduCanon – GM 320 Fight the engagement crisis! Claire Sparklin and Jessica Hale will show you how to make videos more engaging. This session highlights the educational software EduCanon, a service that pauses a video to present embedded quiz questions and track the results. The days of “tuning out” and passive video lectures are gone! Bring your laptop and try this tool today!
10:45am – 11:00am	Coffee Break – GM 320 Enjoy coffee with colleagues and teammates. Discuss the ideas that stuck out to you and add you input to our “feed” online or in-person.
11:00am – 11:45am	Prezi – GM 319 Tired of PowerPoint! Come learn about Prezi, the presentation tool that combines text, video, sound and simple animation in a web-based format. Prezi presentations can be shared with a simple link and edited by colleagues. This is a great way to create and share lessons! We recommend bringing your laptop so you can start designing right away. Distance Learning staff members, Pete Baccile and Michele O’Neil will guide you through the power of Prezi.
11:30am – 1:00pm	Round Table Lunch – GM 320 There IS such a thing as a free lunch! Fill your plate and then join a round table as experienced faculty will lead discussions on: The Future of e-Learning at WCC, First Time Designers, Creating a Welcoming Design, Instructional Designer Role, The Gamification of e-Learning Trend. Please, RSVP for lunch at: http://tinyurl.com/OnlinePowerTools
1:00pm – 1:45pm	Feedback Tools: Bb Crocadoc, Jing, Track Changes – GM 319 Bb Crocadoc, Jing, Track Changes: Dread grading paper assignments? Help is here! Join Lisa Rombes as she discusses Feedback Tools. You’ll be amazed at how smooth the Blackboard integrated tool Crocadoc makes grading papers WITHOUT upload, download, repeat! Jing is an easy way to share computer screen video or images. And, Track Changes is a Microsoft Word feature that allows users to edit a document and leave comments for students to view. Bring your laptop and try these tools out today!
1:45pm – 2:00pm	Coffee Break – GM 320 Enjoy coffee with colleagues and teammates. Discuss the ideas that stuck out to you and add you input to our “feed” online or in-person.
2:00pm – 2:45pm	Twine – Claire – GM 320 Students thrive with face-to-face learning activities and until now, it’s been really difficult to design your own e-learning activities. Introducing Twine! Join Claire Sparklin as she discusses a program that puts the power of e-learning activities into your hands. Bring your Laptop and you’ll have a chance to start your own decision-tree based activity to use online this semester!
2:45pm – 4:00pm	OPEN LAB – GM 005 Ready to put thought into action? Come to this “Online Power Tools” open lab session for help continuing your exploration of Jing, EduCanon, creating your own videos for your classroom using your iPhone and more. Get ready to start the new semester off with excitement!
2:45pm – 4:00pm	Blackboard Q & A: Jared Slayton – GM 320 You’ve got Blackboard questions, Jared Slayton, WCC Blackboard Administrator and Help Desk Manager, has the answers! Bring your questions, bring your laptop and get the help you need!
2:45pm – 4:00pm	Online Tools – GM 319 Looking to add some of the newest tools to your tool belt? Join WCC Instructional Designer and Part-time Instructor LaTonya Motley as she explores emerging tools for online interactivity. Examine the latest and greatest interactive learning activities available, gain hands on experience and get a list of resources for further exploration. Bring your laptop to get the most out of this session!

**A day of
