Students are encouraged to regularly meet with an advisor to help lay out a plan on class selection and timing, and to discuss ways to make your application more competitive. General advising appointments can be scheduled any time by logging into your WCC Gateway account and clicking on the Student Services Appointments tile or by calling (734) 677-5102 and pressing 0. Or, you may stop by the Counseling and Advising Office (2nd floor, Student Center) Monday through Thursday from 8:00 am to 7:00 pm, Friday from 8:00 am to 5:00 pm, and Saturday from 9:00 am to 1:00 pm.

In addition to general advising, all applicants to the program must have a mandatory meeting with one of WCC's designated advisors prior to applying. And, prior to the mandatory advising appointment, students must complete the "Mandatory Advising Form" which will be available in the program application packet. This form will help prepare students for their advising appointment and ensure a productive meeting. Please be aware that your advisor must sign-off on this form before you will be eligible to submit your application to the program.

To schedule an appointment with one of WCC's designated advisors who can sign-off on your "Mandatory Advising Form", please request a "Mandatory Nursing Advising" appointment by calling (734) 677-5102 and pressing 0 (online scheduling unavailable). This appointment should be scheduled no earlier than the semester prior to the application deadline (Fall 2018).
