

Our provider network is geographically distributed in all 50 states, Washington D.C., Puerto Rico, Guam and Saipan. Our network is blended and comprised of ophthalmologists, optometrists and many of the nation's premier retail centers. A large percentage of private practice providers also work in a retail/storefront environment. The following are some of the national and regional retailers that will be included in the proposed program.

Retail Network:

HVHC (Proprietary Vision Care Centers)

- Binyon's
