WASHTENAW COMMUNITY COLLEGE

CLERY REPORTING INFORMATION:

WASHTENAW COMMUNITY COLLEGE

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act is a federal law that requires colleges and universities to disclose information about crime on and around their campuses. The act is named in memory of Jeanne Clery, a 19-year-old Lehigh University freshman who was assaulted and murdered in her residence hall room on April 5, 1986.

MISSION STATEMENT

The Mission of the Campus Safety and Security Department is to facilitate the opportunity for individuals from all lifestyles to pursue, through education, their career and life goals by providing a safe and secure Campus environment.

OFFICE INFORMATION

The Office of Campus Safety reports to the Vice President and Chief Financial Officer. Campus Safety works closely with all departments of the College to ensure that safety policies and procedures are uniformly executed and conveyed in a clear and consistent manner to all the College's students, faculty, and staff.

The office is located at 4800 East Huron River Drive, on the second level of the Campus Parking Structure. It is open 24 hours a day, 365 days a year. The Director, Safety Compliance Manager, Dispatch and Patrol Supervisors, and uniformed Campus Safety Officers provide around-the-clock patrol and services to the campus community.

Safety Patrol Officers are responsible for a full range of safety services to the campus community, including all crime report investigations, medical emergencies, fire emergencies, traffic accidents, and enforcement of all College policies including those relating to alcohol use, drug use, and weapons possession.

Safety Patrol Officers submit incident reports on all crimes on campus reported to the department. Many of these incident reports are filed with the Washtenaw County Sheriff Department and automatically become part of their record-keeping process.

All criminal activity, suspicious activity, and other emergencies on campus should be reported directly to the Office of Campus Safety by any member or guest of the campus community. Reports can be submitted confidentially by completing the form found at the following link.

<https://publicdocs.maxient.com/incidentreport.php?WashtenawCC>

Please dial 3411 from any campus phone for all emergency or service calls, 24 hours a day. Campus Safety Officers will meet you anywhere on campus to investigate and inquire about any of these events. Call 734-973-3411 from off campus 24 hours a day or visit the link mentioned above for non-emergency incidents.

WCC Alert: Emergency Notification Service

WCC has implemented "WCC Alert", an Emergency Notification Service, which enables the College to send emergency notices regarding school closing, inclement weather and other emergency situations that might occur on Campus. The College can notify current students and employees simultaneously to all available contact points via:

- 5 voice notification phone numbers
- 1 additional email address
- 1 text message enabled device
- 1 TTY/TDD receiving device for the hearing impaired

WCC Mass Notification System:

In the event of a significant threat on our campus such as a tornado, fire, bomb threat, or a person(s) with a weapon, we have the ability to put out a campus wide audio emergency notification. We do this throughout all of the buildings' speaker systems which are audible in classrooms as well as common areas. This is done from the main security office by personnel who periodically test the system when the buildings are vacant, making sure they are ready should the real need ever arise.

WASHTENAW COMMUNITY COLLEGE

Access to campus facilities

Most campus buildings and facilities are open to members of the campus community and guests during the normal business hours of 7a.m. to 10p.m., Monday through Saturday. Some buildings are open on Sundays for limited hours to facilitate special events.

After buildings have been secured, employees can obtain entry to an area if they have been issued the appropriate key, access card, or fob authorized for that location. Faculty and Staff may also request assistance in entering a building/room through the Campus Safety and Security Office. Students are permitted access to specific classrooms with written permission from the appropriate administrator, faculty, or staff submitted to the Office of Campus Safety and Security. Access is only valid to students between the hours of 7a.m. and 10p.m. during non-scheduled class times and if the classroom is available. The Washtenaw Community College campus buildings are protected by alarm and camera systems. The security camera system is monitored and the campus is patrolled 24 hours a day 365 days a year.

All campus buildings, parking lots, and properties are closed to visitors, guests, and students from the hours of 11p.m. to 6:30 a.m.

Washtenaw Community College does not have campus residences.

Inspections of campus safety features are performed on a regular basis to assure they are in good working condition. Such inspections included but are not limited to the following: the fire alarm and sprinkler systems, fire extinguishers, alarm systems, red emergency phones, the mass notification system, and inspection of the camera systems.

Campus Law Enforcement

The Safety and Security Department is the campus security authority and coordinates campus safety and security activities. Campus Safety and Security patrol officers do not have the authority to arrest. Campus Safety and Security Patrol Officers have been deputized and may write parking citations in an effort to enforce parking regulations. The Safety and Security Department is responsible for coordinating with local law enforcement agencies and implementing emergency procedures at Washtenaw Community College. The Campus Safety and Security Department has a close working relationship with the Washtenaw County Sheriff's Department. The College and the Sheriff's Office have a contract for them to provide patrol and investigative services on a year round basis.

The Office of Campus Safety and Security relies upon all members of the campus community to assist in making the campus a safe place by reporting emergencies and suspected criminal activity immediately by dialing the campus emergency number, **extension 3411** (or **734-973-3411**, if calling from an off-campus location). Campus telephones are labeled on the handset with this number. Campus "House Phones" are located in the lobbies and hallways of all buildings. The Campus Safety and Security Staff are available 24 hours a day to respond to emergency calls.

When notifying the Office of Campus Safety and Security of a potential emergency, or suspected criminal activity, be prepared to provide the following information to the dispatcher:

- Type of incident or activity, location of incident, description of persons involved (if criminal in nature).
- Suspected injury or condition (if medical emergency).
- Your name, location, and number calling from.

This information will aid Campus Safety and Security staff in their response and subsequent handling of the incident. You should remain available to assist the Security staff with any required additional information once they arrive. Campus Safety and Security staff will notify additional medical and/or law enforcement support as needed.

Three-year statistics concerning reported crimes that have occurred on campus are published in the Annual Security Report. A copy of this report may be obtained by contacting the Safety and Security Office at 734-973-3411. It is also available on the following website:

<http://www.wccnet.edu/security/crime.php>

Washtenaw Community College does not have any procedures that encourages both pastoral and professional counselors to inform those they counsel of procedures for reporting crimes voluntarily and confidentially for inclusion in the institution's annual security report and Web-based report to the Department of Education.

WASHTENAW COMMUNITY COLLEGE

Security Awareness Programs for Students and Employees

During Parents/Students orientation both are informed of services offered by Campus Safety and Security. A representative from the Safety and Security department gives a presentation to outline ways to maintain personal safety and the safety of others. Students and parents are told about crimes on campus and in surrounding neighborhoods. Similar information is presented to new employees. Crime Prevention Programs and Sexual Assault Prevention Programs are offered on a continual basis. Periodically, The WCC Student Resources and Women's Center presents awareness sessions on sexual assault (rape and acquaintance rape) and Drug and Alcohol abuse.

A common theme of all awareness and crime prevention programs is to encourage students and employees to be aware of their responsibility for their own security and the security of others.

In addition to seminars, information is disseminated to students and employees through crime prevention awareness brochures, videos, and articles in the college newspaper (The Student Voice).

When time is of the essence, information is released to the college community through the WCC Alert system by any or all of the following methods: email, text messages, phone calls and/or campus wide broadcasts. Students can sign up for the free WCC Alert services by visiting the following website:

http://www4.wccnet.edu/security/emergency_notification.php

Timely Warning Notice

In the event that a situation arises either on or off campus that, in the judgment of the Director of Campus Safety and Security, constitutes an ongoing or continuing threat, a campus wide timely warning will be issued. Decisions to make timely warnings will be made on a case-by-case basis in light of all the facts surrounding a crime or other emergency situation. A warning may be issued through any or all of the following means of the WCC Emergency Notification System; email, text message, phone call, and/or campus broadcasts. Students and employees can sign up for this free WCC Alert services by visiting the following website:

http://www4.wccnet.edu/security/emergency_notification.php

It is the priority of Washtenaw Community College to promptly alert the college community of potentially dangerous situations so that they have both the time and information to take appropriate precautions.

Emergency Notifications

Washtenaw Community College will immediately notify the campus community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health and/or safety of students, staff, or visitors occurring on the campus. Washtenaw Community College has implemented two comprehensive communication systems, "WCC Alert" and the "Emergency Mass Notification System" to provide prompt warning notifications and alerts of immediate threats to the health and safety of members of the campus community using a variety of methods, including but not limited to: email notices; phone, cellular phone, and text messages; and campus announcement speakers located in the majority of buildings on campus.

The Director of Campus Safety and Security or his designee, is primarily responsible for confirming that there is a significant emergency or dangerous situation on campus that could cause an immediate threat to the health and safety of the members of the campus community. On a case-by-case basis in light of all the facts surrounding the nature of the threat, Campus Safety will attempt to verify there is a dangerous situation through such means as camera systems and/or witness accounts. All reported dangerous situations will be treated as such until either verified or proven false.

The Office of Campus Safety and Security has the ability to notify the campus community of immediate threats that have occurred and necessitate evacuation, shelter, or other action on the part of students, employees, and campus visitors. The Director of Campus Safety and Security or his designee, have the authority to determine the appropriate segment or segments of the campus community that will receive alerts, to determine the content of the alert, and to initiate the notification system. You are asked not to call Campus Safety for updates. The college typically provides follow-up information to the community using the same systems that were used to send out the original alert.

WCC will inform the neighboring communities of emergency information via radio and/or television alerts. Follow-up information will be issued to the neighboring communities using the same systems that were used to send out the original alert.

The authorized individuals listed above will, without delay, and taking into account the safety of the community, determine the content of the notification and initiate the notification system(s), unless issuing a notification will, in the professional judgment of first responders, compromise efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency. The typical first responders to an incident that causes an immediate threat to

WASHTENAW COMMUNITY COLLEGE

the health and safety of the Washtenaw Community College community include the Campus Safety and Security Department, Michigan State Police, Washtenaw County Sheriff's Department, Pittsfield Police Department and the Ann Arbor Township Fire and EMS Department.

Washtenaw Community College annually tests our emergency response and evacuation procedures.

Annually, the Offices of Campus Safety and Security will provide communications to the campus community regarding college procedures for authorized closings and receiving emergency alerts.

Sexual Assault Prevention Programs

Sexual Assault is a crime punishable by both civil and criminal legal action. Washtenaw Community College encourages victims to prosecute alleged perpetrators to the fullest extent of the law. The Safety and Security Department is always available and ready to assist if requested, including reporting the incident to appropriate law enforcement authorities. We also have educational literature available on prevention methods and procedures to follow if you should become the victim of a sex offense. The Safety and Security Department and the WCC Women's Center provide open forum and video based educational awareness programs regarding rape, acquaintance rape, other sex offenses, and personal safety, to both male and female students.

If you or someone you know has been a victim of a sexual assault the Safe House Center (734-995-5444) is available 24 hours/7days a week. They provide many survivor services including providing an advocate to assist you at the hospital, legal services, emergency shelter, counseling services, and support groups.

Should there be an alleged sex offense the accuser and the accused are entitled to the same opportunities to have others present during a disciplinary proceeding. Both the accuser and the accused shall be informed of the outcome of any institutional disciplinary proceeding. If requested, WCC will change the victims' academic schedule if a change is reasonably available. (These rights also apply to all crimes of violence)

Under Student Rights and Responsibilities the College may use any of the following sanctions:

What do I do if I've been sexually assaulted?

These are important steps to take right away after an assault:

- Get away from the attacker to a safe place as fast as you can. Then call 911.
- Call a friend or family member you trust. You can also call a crisis center or a hotline to talk with a counselor.

One hotline is the [National Sexual Assault Hotline](http://www.rainn.org/get-help/national-sexual-assault-hotline)

<<http://www.rainn.org/get-help/national-sexual-assault-hotline>>

<<http://womenshealth.gov/about-us/website-policies/disclaimers.cfm>>

at 1-800-656-HOPE (4673). Feelings of shame, guilt, fear, and shock are normal. It is important to get counseling from a trusted professional.

WASHTENAW COMMUNITY COLLEGE

- Do not wash, comb, or clean any part of your body. Do not change clothes if possible, so the hospital staff can collect evidence. Do not touch or change anything at the scene of the assault.
- Go to your nearest hospital emergency room as soon as possible. You need to be examined, treated for any injuries, and screened for possible sexually transmitted infections (STIs) and/ or pregnancy. The doctor will collect evidence using a rape kit for fibers, hairs, saliva, semen, or clothing that the attacker may have left behind.

While at the hospital:

- If you decide you want to file a police report, you or the hospital staff can call the police from the emergency room.
- Ask the hospital staff to connect you with The Safe House Center (734-955-5444). The Center staff can help you make choices about reporting the attack and getting help through counseling and support groups.

Where else can I go for help?

If you are sexually assaulted, it is not your fault. Do not be afraid to ask for help or support. Help is available, you can call these organizations:

- **National Domestic Violence Hotline** <<http://www.thehotline.org>>
1-800-799-SAFE (7233) or 1-800-787-3224 (TDD)
- **National Sexual Assault Hotline**
<<http://www.rainn.org/get-help/national-sexual-assault-hotline>> **1-800-656-HOPE (4673)**

There are many organizations and hotlines in every state and territory. These crisis centers and agencies work hard to stop assaults and help victims. You can find [contact information](#) for these organizations by following this link:

<<http://womenshealth.gov/violence-against-women/get-help-for-violence/resources-by-state-violence-against-women.cfm>>

You also can obtain the numbers of shelters, counseling services, and legal assistance in your phone book or online.

How can I lower my risk of sexual assault?

There are things you can do to reduce your chances of being sexually assaulted. Follow these tips from the National Crime Prevention Council.

- Be aware of your surroundings - who's out there and what's going on.
- Walk with confidence. The more confident you look, the stronger you appear.
- Know your limits when it comes to using alcohol.
- Be assertive - don't let anyone violate your space.
- Trust your instincts. If you feel uncomfortable in your surroundings, leave.
- Don't prop open self-locking doors.
- Lock your door and your windows, even if you leave for just a few minutes.
- Watch your keys; do not lend them, do not leave them, do not lose them, and do not put your name and address on the key ring. If you do lose your keys have the locks to your home changed.
- Watch out for unwanted visitors. Know who's on the other side of the door before you open it.
- Be wary of isolated spots, like underground garages, open offices after business hours, and apartment laundry rooms.
- Avoid walking or jogging alone, especially at night. Vary your route. Stay in well-traveled, well-lit areas.
- Have your key ready to use before you reach the door - home, car, or work.
- Park in well-lit areas and lock the car, even if you'll only be gone a few minutes.
- Drive on well-traveled streets, with doors and windows locked.
- Never hitchhike or pick up a hitchhiker.
- Keep your car in good shape with plenty of gas in the tank.
- In case of car trouble, call for help on your cellular phone. If you don't have a phone, put the hood up, lock the doors, and put a banner in the rear mirror that says, "Help. Call police."

How can I help someone who has been sexually assaulted?

You can help someone who is abused or who has been assaulted by listening and offering comfort. Go with her/him to the police station, the hospital, or to counseling. Reinforce the message that she/he is not at fault and that it is natural to feel angry and ashamed.

ALCOHOL POLICY

Washtenaw Community College seeks to encourage and sustain an academic environment that both respects individual freedom and promotes the health, safety, and welfare of all members of the community. In keeping with these objectives, the College has established a policy and guidelines governing the distribution and consumption of alcoholic beverages on the College Campus, consistent with laws of the state of Michigan. Under-age possession and/or consumption of alcoholic beverages are not permitted on property owned or controlled by the College. Intentionally or knowingly selling, or intentionally or knowingly "furnishing" alcoholic beverages to persons under the age of 21, or to persons obviously inebriated, is not permitted on property owned or controlled by the College.

Alcohol can be served at public events only to those over the age of 21 and only if in conformity with those requirements of the Michigan Liquor Control Commission and the College regarding the serving of alcohol. Arrangements for serving alcohol at public events must be made through the Office of the Vice President of Administration and Finance in the Student Center Building.

Any individual known to be in violation of the College alcohol policy is subject to disciplinary action and possible arrest, imprisonment, and/or fine according to state or federal law.

ILLEGAL DRUGS

Washtenaw Community College does not condone possession, use, or distribution of any illegal drugs by anyone in any campus facility. Any individual known to be possessing, using, or distributing such drugs are subject to disciplinary action and possible arrest, imprisonment, or fine according to state or federal law.

WEAPONS

For the safety of everyone, all types of weapons are prohibited on campus. This includes but is not restricted to firearms, ammunition, explosives, air guns, BB guns, crossbows, bows and arrows, spring-type guns, slingshots, firecrackers, fireworks, and cherry bombs. Anyone possessing or using any of these weapons can and will be subject to disciplinary action.

Campus Policies

DAILY CRIME LOG

Campus Safety maintains a daily crime log that lists all reported crimes. The log outlines the logistics of the crime (date, time, and location), the nature of the crime, and how the crime was handled.

CRIME STATISTICS

The Office of Campus Safety, under the supervision of the Director or his or her designee, gathers and compiles Washtenaw Community College's crime statistics. Crime statistics in this report from off-campus venues and adjacent streets were compiled in collaboration with the Washtenaw County Sheriff Department and/or local Police Departments.

These crime statistics are substantiated by the Office of Campus Safety and the Washtenaw County Sheriff Department. Double counting of these crimes is avoided by an oversight process conducted by the Director of campus safety.

It should be noted that the Campus Security Act was amended in 1998. Any marked increase across years or in the revised statistics from previous years can be accounted for by the fact that the geographic boundaries for reporting were greatly expanded in 1998, and reporting of drug, alcohol, and weapons violations was also broadened to include not only arrests but also disciplinary referrals.

CONCLUSION

We are committed to resolve all criminal matters in a timely fashion. All members of Washtenaw Community College know that for this to happen, they must cooperate and work hand-in-hand with staff, employees, and guests of Washtenaw Community College. By working together, the College community will continue to be a safe and secure environment.
