

Work In-District Rate Application

Winter 2016

Office of the Registrar

WCC encourages you to submit this application **PRIOR** to your registration – your tuition will be due by the published deadline regardless of any pending rate application.

Applications will be accepted Wednesday, November 11, 2015 through Friday, January 22, 2016.

Students who work 30 (thirty) or more hours per week for one or more Washtenaw County employers at their in-county location for the four previous months may apply for this tuition rate.

The four previous months of employment must be immediately prior to the date you submit your request for the rate. The rate applies to you only, not a spouse or dependent. Once approved, you will need to **renew your Work In-District request each academic year**, as the rate expires at the end of each Spring/Summer semester.
