

# New Student Online Orientation

After following the link provided to your Application Checklist, locate your My Courses module to access the New Student Online Orientation course.

Finish all areas and sections to complete this course.

# New Student Online Orientation – Module One

**Welcome to WCC! We are exciting that you will be attending classes here! Here are a few helpful tips as you complete this orientation:**

- It will take you about 45 minutes to complete. You are able to leave the session and begin where you left off.
- There are two modules, each with a quiz to complete at the end. You must get all the questions correct to receive credit for the orientation. Don't worry--we'll give you the opportunity to review if you get any questions incorrect.
- For the best experience possible, please have audio functionality available on your computer or device.
- Finally, if you need any assistance please go to the "Contact Us" link on the left to receive any help that you may need with this orientation.

Read the New Student Online Orientation instructions before proceeding to Module One.
