- To enter into the eCourse, click the "Enter" button.

eCourse control bar

- Welcome to the beginning of your eCourse!

    **If you see a blank screen instead of this page, try minimizing or maximizing your screen.

- The eCourse does have audio, so be sure your volume and speakers are on.

- The controls for your class are at the bottom of the screen. The arrow on the right will flash red when you can proceed to the next screen.

Progress bar

- This is an example of an eCourse slide. Some slides are interactive or may include videos.

- The red bar toward the bottom will show your progress through the eCourse. You cannot forward through information, but are able to revisit segments if you wish.

Once the question has been verbally read, you will have 20 seconds to answer

Select answer and click submit

Number of questions remaining

- At the end of each segment, there is a "Knowledge Check." The purpose of the Knowledge Check is to ensure you have understood the material presented.

- The number of questions remaining is shown at the bottom right of the page. The questions are read aloud and are timed. The timer will begin after the voiceover has ended.

- You must score 80% or above at each Knowledge Check in order to proceed to the next segment. If you do not pass the first time, you will be able to take the Knowledge Check again after reviewing the information from this segment.

Once the voice over ends, click "Exit"

- The eCourse will take approximately 3 hours to complete. Students do have the option of going at a slower pace (repeating segments, if necessary) or completing it in multiple sittings.

- When you reach the final slide, <u>wait for the voiceover to conclude before clicking "Exit."</u> If you exit before the voiceover ends, it will ask that you revisit the last segment.

- Once the voiceover finishes, click "Exit."
