	NOT compatible with iPads or other tablets
	NOT optimized mobile phones
	Each student must have a unique email address to register for their eCourse with MSF

Frequently Asked Questions

1) When I enter the eCourse, I only see a blank white page.

This is an issue sometimes experienced with Internet Explorer. Try to either minimize or maximize your screen. If this doesn't work, please make sure you have the latest version of Adobe Flash Player. Lastly, if neither of the above work, try another browser.

2) The eCourse does not load correctly on my iPad or mobile phone.

The MSF eCourse is not currently compatible with iPads or other tablets, or mobile phones. Please use a desktop or laptop computer.

3) My completion certificate is not enabled even though I've completed the eCourse.

This occurs when the last slide of the presentation does not play through completion (until the voice-over ends). Please re-launch the eCourse and let the last slide play all the way through and try the certificate link once again.

4) My certificate is showing an incorrect date.

This occurs when the last slide of the presentation does not play through completion (until the voice-over ends). Please re-launch the eCourse and let the last slide play all the way through and try the certificate link once again.

5) I forgot my password or have locked myself out.

Please contact MSF at msfsupport@msf-usa.org or (949) 727-3227 x3158. Please include your username/email address.

6) Need further assistance?

Please contact MSF at msfsupport@msf-usa.org or (949) 727-3227 x3158.
