Independent Verification Worksheet – V4 Tracking Group

The federal government has selected your financial aid application for a process called verification. During verification WCC will compare information reported on your FAFSA to information that you provide on this form about you and/or your spouse. Federal law says WCC has the right to ask you for this information before we can award you financial aid. If there are differences between your FAFSA and the provided information, WCC may need to make corrections to your FAFSA.
