Retirement

Michigan Public Schools Employee Retirement System (ORS)

ORS administers retirement programs for various groups, including Michigan's public school employees. As a public school employee, you'll have the option to choose either the Pension Plan (Pension + Savings Plan for healthcare) or the Defined Contribution Plan! To learn more, please review the ORS's quick video on [how to choose your retirement plan](#) or access the [election guide](#).

Supplemental Retirement Plans

Employees are eligible to participate in the 403(b) Tax Deferred Annuity Program and/or the 457(b) Deferred Compensation Plan. Both plans allow for tax free payroll deduction to the approved provider(s). 403b / 457b Supplemental Retirement accounts are available by payroll deduction through [TIAA](#), Lincoln Financial, and Valic Financial!

MPERS Retirees

Michigan Public Schools retirees are able to teach at WCC with no effect on their pension or insurance premium subsidy if they have a bona fide termination, which includes not working in the month of your retirement effective date and have been retired at least six consecutive months! These rules will be in effect until Oct. 10, 2028. To learn more, click [here](#).

More at WCC: Work-Life Balance

Gender Neutral Bathrooms

Our campus celebrates diversity across many dimensions, and we embrace each one. At WCC, we are committed to fostering an inclusive environment where everyone feels valued and respected. In support of this commitment, we have 12 gender-neutral bathrooms located throughout our campus, ensuring everyone has access to safe and inclusive facilities.

Lactation Rooms

Understanding the importance of parental needs, WCC offers convenient and private lactation rooms across campus, ensuring a comfortable environment for breastfeeding or expressing milk. These rooms are available for use during both day and evening hours. Students, faculty, and staff can reserve a lactation room by contacting the [Student Resource Center \(SRC\)](#).

WCC Dental Clinic

During the Winter semester, WCC's Dental Clinic is operational on Tuesdays and Thursdays throughout February and March. Open to students, staff, faculty, and the community, our clinic offers services facilitated by [WCC Dental Assisting](#) students collaborating with University of Michigan dental students. For further details regarding services offered, please click [here](#).

Intramural Sports

Engage in the vibrant world of intramural sports at WCC! It's an exciting opportunity for students, staff, and faculty to participate in friendly competition and recreational activities throughout the year. From basketball and soccer to tennis and ultimate frisbee, there's something for everyone. Get involved and make lasting memories on the field, court, or pitch! Click [here](#) to explore more details.

More at WCC: Sustainability

EV Charging

We're proud to offer six EV fueling stations in our [parking structure](#), supporting the transition to cleaner transportation options. Additionally, as part of our commitment to sustainability, we've designated preferred parking for users of low-emitting or fuel-efficient vehicles, aligning with LEED project standards. These initiatives reflect our dedication to creating a greener, more sustainable campus.

Bee Campus USA

To entice and nurture bees at WCC, the campus provides many bee friendly native flowers, a core garden, non-toxic fertilization and eradication techniques, as well as educational events about pollinators. WCC participates in No Mow May to help our bee pollinators and hosts Bee Campus Awareness Events like Building the Motor City Bee Highway and Bee-Friend the Bees. Explore more about our efforts [here](#).

Seed Library

The [Seed Library](#) was established in 2015 within the Bailey Library where students, staff, and community members can get seeds for free to start their own garden, learn about seed sowing, protect open-pollinated and unique varieties and support the fight against climate change. This will be a place to educate the WCC community about gardening and saving their seeds for future crops.

Recycling/Waste

WCC composts food and yard waste, while our recycling program handles paper, cardboard, metal, plastic, and glass, effectively reducing our environmental footprint. Additionally, batteries, electronic waste, and Styrofoam can be recycled here. WCC also participates annually in the RecycleMania event. For more information on recycling services available at WCC, see [here](#).

More at WCC: Parkridge

Parkridge Community Center

Washtenaw Community College has partnered with the City of Ypsilanti to provide education, recreational, and community programs at Parkridge Community Center in Ypsilanti. Throughout the year, the College and Career Readiness department serves youth and adults through direct programs and services in local schools and the Center. In addition, the department partners with a number of community organizations to coordinate resources and support programs responding to the holistic needs of the surrounding community.

Seeking to make a positive impact? Parkridge Community Center not only provides STEM summer camps and after-school programs but also partners with a diverse range of community organizations, offering programming options—both virtual and in-person. Through these initiatives, we strive to enhance the lives of individuals in the community while nurturing a sense of belonging, opportunity, and empowerment. Employment opportunities present a chance for individuals to bring their skills and enthusiasm to this important cause. Making a lasting difference within our community is not only deeply rewarding but also essential for our collective growth and well-being.

To learn more about the programs and services offered by WCC at Parkridge Community Center please email parkridgecommunity@wccnet.edu, or by calling (734) 483-7700, and connect with Parkridge on Facebook by following @Parkridge Community Center.
